17 SERIES

The 17 Series is the perfect choice for small offices, the home or educational users. With their built-in power adapter for reduced cable clutter and mounting slots, the monitor can be easily wall mounted.

OSD lock function prevents unwanted changes to the display settings and the Auto Adjustment Function automatically sets image position, phase and pitch. LG's LightView function allows adjustment of brightness and colour according to their application.

Models include 17" and 19" versions.
